Examples of common deed restriction violations:

**Article IV, Section (F):** No structures of what is commonly known or described as “Factory built”, “Modular”, or “Mobile home” type construction shall be erected or placed upon any lot.

**Article IV, Section (G)** No building shall be erected, placed or altered on any lot until the construction plans, specifications and plat plan showing the location of the structure on the lot has been approved by the Architectural Control Committee.

**Article IV, Section (J):** Grass, weeds and vegetation on each lot shall be kept mowed at regular intervals after they are initially cleared so as to maintain the same in a neat and attractive manner. If lots are not mowed by Owner, lots will be mowed by Appearer or the Homeowners Association and the Owner will be billed for the cost provided in Section VI (A) and (G) of the restrictions.

**Article IV, Section (N)** Only decorative, permanent type fences shall be allowed. The Architectural Control Committee must approve the type and location of all fences. If drainage servitude is fenced, the fence thereon cannot impede or alter the drainage of storm water in the subdivision.

**Article IV, Section (S)** No Vehicle of any kind, auto, boat, trailer, camper, bus, etc may be stored or repaired on the street or any part of any lot closer to the street than the rear of the house or in any unsightly and offensive location or manner.

**Article IV, Section (T)** No motor homes, trailers, school buses, boats, or trucks larger than pickups, may be parked on the street or on any lot closer to the street than the rear of the house or in any location on the lot that is offensive to the neighborhood.

**Article IV, Section (W) Special Lake Restrictions:** On these lots, the rear fences should be constructed of wrought iron, simulated iron, or aluminum to a height of no more than five (5) feet. These fences must be painted black. All fences must be approved by Homeowners Association.
